The Board finds that the above property became unserviceable by fair wear and tear in public service that with exceptions noted are unrepairable, having been repaired in School shops as far as practicable. The Board also recommends that all materials which can be used for cleaning purposes about Kitchen, Quarters, and Stables instead of being destroyed be used for above purposes and Husk in Mattresses for bedding in stables.

The Horse recommended to be shot is over 24 years old and would not bring a dollar if sold

No further business the Board adjourned sine die:
