DEPARTMENT OF THE INTERIOR,
INDIAN SCHOOL SERVICE,

OFFICE OF SUPERINTENDENT,

Carlisle, Pa., June 24th, 1895.

To The Honorable,

The Commissioner of Indian Affairs,

Washington, D. C.

Sir :

I forward herewith a letter from Miss Ella G. Hill, who during the past year has been instrumental instructor in this school ("Asst. Music Teacher", as we carry the position on the pay roll).

It seemed to me best that in making a change in our musical department, we make an entire change, but do so without criticism of Miss Hill's work. The reasons I need not specify. Miss Hill's credentials are on file in the Department.

Respectfully,

Capt. 10th Cavalry.

Hon. J. M. Banning,

Council of Indian Affairs,
Washington, D. C.

Sir. -

Some changes contemplated by Capt. Pratt in the musical arrangements at Cambria, Pa., if carried out, leave me without employment for the ensuing year.

I would like to continue as a musical instructor in the Indian Service, and respectfully ask to be assigned to another school, if there is a vacancy now, or in the near future.

My musical education was gained in Boston under the following teachers: Otto Bender, Piano; C. L. Whitney, Voice; Stephen A. Emery, Saxophone and Trombone; S. B. Whitney, Organ.

I have also had a wide experience as organist and choir director.

For further information as to

qualification and character, I refer to Capt. Park,
the above named instructor, Rev. James Mead, of
Chambersburg, and others, if necessary.

Yours Respectfully
Ella G. Hill
