Yr. etc.,

Hon. Commissioner of Indian Affairs
Washington D.C.

Sir:

I observed in a Chicago news-
paper of this date, that Dr. Carlos Monte-
zuma had resigned and left Carlisle
Indian Training School - If, this is so,
is the position open to appointment? As I
had over eight-years experience in the Indian
service, I would very much like to secure
this place - I have been attending a post
graduate course here in the Department of
Medicine since October 24, 95. I am doing
special work in eye diseases, and in dis-
eases of tubercular origin, from which

Indians suffer so much. Am I eligible
for appointment in the U. S. Indian Service
after a service of eight years? I was under
the impression that I was.

Very Respectfully
Your obedient servant.

John T. Carney, U.S.A.
Late of Fort Belknap Agency Mont.
