In reply to:

DEPARTMENT OF THE INTERIOR,  
INDIAN SCHOOL SERVICE,  
OFFICE OF SUPERINTENDENT,

Carlisle, Pa., Mar. 6th, 1896.

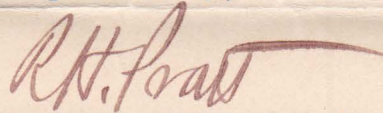

Dr. W. N. Hailman,  
Supt. Ind. Schools,  
Washington, D. C.

Sir :

Josiah George who has applied to you for a position as Band-master and about whom you wrote me not long since, has some skill in wood and iron work in addition to his musical talent, which would make him a more useful employe. He is about to marry Elizabeth Wind one of our girls who has graduated as nurse from the Methodist Hospital in Philadelphia. She is a capable woman and is now assistant here in our hospital.

If you have a place where you want a band leader and a nurse, this couple would serve you well.

Very respectfully,

Capt. 10th Cavalry, Supt.

Dictated.
