ALL MESSAGES TAKEN BY THIS COMPANY ARE SUBJECT TO THE FOLLOWING TERMS.

To guard against mistakes or delays, the sender of a message should order it REPEATED, that telegraphed back to the originating office for comparison. For this, one half the regular rate is charged in addition. It is agreed between the sender of the message written on the face hereof and the Postal Telegraph Cable Company, that said Company shall not be liable for mistakes or delays in the transmission of delivery, or for non-delivery, of any UNREPEATED message beyond the amount received for sending the same; nor for mistakes or delays in the transmission of delivery, of any non-delivered or REPEATED message beyond fifty times the sum received for sending the same, unless special instructions, or in any case of delays arising from unavoidable interruption in the working of its lines, or for errors in cipher or obscure messages. And this Company hereby made the agent of the sender without liability, to forward any message over the lines of any other Company when necessary to reach its destination.

Corrections in the transmission of messages at any point on the lines of this Company can be assured by contact in writing, stating agreed amount of risk, and payment of premium thereon, at the following rates in addition to the actual charge for repeated messages, viz: one per cent. for any distance not exceeding 1,000 miles, and two per cent. for any greater distance.

No responsibility regarding messages attaches to this Company until the same are presented and accepted at one of its transmitting offices; and if a message is sent to such office by one of this Company's messengers, he acts for that purpose as the agent of the sender.

Messages will be delivered free within the established free delivery limits of the terminal office. For delivery at a greater distance a special charge will be made to cover the cost of such delivery.

This Company will not be liable for damages in any case where the claim is not presented in writing within sixty days after the message is filed with the Company for transmission. In any event, this Company is not to be held liable for any loss, or damage, or for delay, or detention, or errors caused by storms or action of the elements, or other acts of God, or by civil or military authority, or by insurrections, riots, rebellions, or dangers incident to time of war, or by the unlawful acts of individuals.

This is an UNREPEATED Message and is delivered by request of the sender under the conditions named above. Errors can be guarded against only by repeating a message back to the sending station for comparison.
