In reply to:

DEPARTMENT OF THE INTERIOR,
INDIAN SCHOOL SERVICE,
OFFICE OF SUPERINTENDENT,

Carlisle, Pa., Apr. 24, 1896.

Dr. W. N. Hailman,
Supt. of Ind. Schools,
Washington, D. C.

Dear Sir :

It will be quite practicable for us to let you have Mr. Thompson and Miss Ericson for the institutes at Lawrence, St. Paul and San Francisco, should you determine to have them there, and I believe their presence at these institutes will be helpful to the general cause. I trust you will also make use of Mr. Standing at the Eastern institutes at least for his paper on outing. You will find him ready and practical in any general discussion of any feature of Indian School work. Unless there is objection at the Indian Office, I will meet his expenses from my school appropriation on the grounds that his presence and conference with teachers and workers of Western schools will be in the interests of securing pupils for this school.

I will be at home at the time, and if you desire him to go to San Francisco, I will also cover his expenses that far .

Respectfully,

Capt. 10th Cavalry, Supt.
