Replying to your letter of the 14th, marked "Education, 25549-1896," I have to respectfully advise you that Josephine Bissonnette came to Carlisle August 28th 1895, and to enclose report in regard to her health by my School Physician, which will show that Josephine's father has no cause for his alarm or demands. Sir:

I have the honor to report that Josephine
Pissonette is in better health than she has been
for some months past. She is performing her
duties and has no present use for medicine.
She is by no means in a "dangerous condition"
and there is no evidence that she will be soon.

Very respectfully,
Your obt. Servt
J. J. Dammie M.D.,
School Physician.
