DEPARTMENT OF THE INTERIOR,
INDIAN SCHOOL SERVICE,
OFFICE OF SUPERINTENDENT,

Carlisle, Pa., January 9th 1897.

Dr. W. N. Hailman, Supt. Indian Schools,

Indian Office,

Washington, D. C.

Sir:-

Replying to your letter in regard to Joel Tyndall, I have to respectfully advise you that Joel is a graduate of this School of the class of 1889. While at the School he exhibited unusual ability, but was lacking in moral character to such an extent as to forbid my heartily recommending him for the position he now seeks. I have, however, heard some good accounts of him since he left Carlisle, .

Very respectfully,

(Dictated)
