Sir:
 A Lady Teacher in the Ind
 school Carlisle Pa desires a
 promotion. Of course I do not
 know what you have or want
 & will only say she is a most
 woman well educated & in
 business, worthy & competent
 to fill almost any position.

I enclose a slip which I
 sent me which gives an idea
 of the position she would
 to get. She gets \$600 per
 where she is now but would
 one that would pay not less
 than \$800. If you have a place
 for her you will be pleased
 her name is John L. Horner

Transfer from present government employ (as teacher in Indian School, Carlisle, Pa.) to clerical position in ~~the~~ some branch of the Dept. of the Interior, preferably the Indian Office, under whose control I have been serving for the past four years.

A similar position (clerk, or clerk-copyist) would be acceptable in the Treasury Dept., Dept. of Agriculture Post Office or other Dept. of Government Service in Washington.

A transfer to the Indian Office is in direct line, therefore I ask that.

Have taken Civil Service Ex. for position of Clerk-copyist. Have not heard from Ex., but am certain I have passed, ~~as~~ delay is caused by pressure of work in the Commission. Have had experience in short hand, type-writing and general office work.
