Hon. Com. W. A. Jones,
Washington, D. C.

Dear Sir:-

I desire to know whether Capt. R. H. Pratt, Supt., at Carlisle Indian School, Penia., is authorized to intercept any letters send to the pupils at that institution or not?

I wrote a letter to Mr. G. L. Butler under date May 14, 1897 and it was mailed to W. Daniel who hand the letter to me. Subsequently I discovered that the letter was intercepted by Capt R. H. Pratt.

I have the honor to be, sir, your most obedient servant,

Robt. J. Hamilton.
