Carlisle Sept. 13th 1897

Mr. Hailman

Dear Sir:

I take the liberty
to offer as a suggestion, as I
have offered the same to
Captain Pratt of the Carlisle
Indian School who was very
favorably impressed with the
idea of increasing the shoe
department by introducing
the M^{rs}. Ray sewing machine
, hand Charles
Lasts & girth upper & sole patterns

them with the tools & machine
any that is all ready at the
school we can manufacture
from 100 to 200 pairs a day
with out any assistance
(except the Indian's) as I
profess to be a practical shoe
man & machine operator

Yours Truly,
