Dear Sir-

I would be glad  
if you instruct the Agents  
at San Carlos and Fort  
Apache Arizona to favor  
Antonio Apache, who goes  
to those agencies as my  
representative to secure  
pupils for Carlisle, and  
also the agent at  
Kiona and Guanche  
Agency I. T. to aid

more through Rev. Methuin  
& Antonio, if the Agents  
do not oppose.

Mr. Methuin writes of a  
number from his own  
school who want to go  
to Carlisle and says  
there are others.

Antonio Apache is the  
~~son~~ nephew of old  
Cochise, has been east  
sixteen years and is  
such a fine representative  
of the educated Indian  
that I feel quite sure

he will have success in  
influencing the Apaches  
to send their children  
if not hindered by  
those in charge at  
the agencies.

Respectfully yours  
R. H. Ball
