Hon Commissioner of Indian Affairs,
Washington D. C.

Dear Sir,

In as much as I have already forwarded you a letter in which I carefully submitted you an application for the principal of my share of the trust held for the Siletz Indians in Oregon, I will again write, for fear that you may have overlooked the matter. I am greatly in need of financial aid so as to balance a debt which was incurred by my attendance at college.

Also, since I am about to leave here, I would like know if I can possibly get it soon. Hoping that you will attend to it at your earliest convenience and oblige

Very Respectfully Yours
