Robe, C.Y.,

Asst. Disciplinarian

Desires transfer to
some western school.

1st Endorsement.

Respectfully forwarded
approved and recommended.

Mr. Robe has performed
his duties here satisfac-
torily, and there is no
special reason for a change
that I know of, except that
we have other graduates
even more capable who for
special and good reasons
wish to remain East, and
Mr. Robe is rather inclined
to the West and to an an-
nual change.
