To the Honorable

Commissioner of Indian Affairs

Washington, D. C.

Dear Sir:-

Would it be

possible for you to inform me soon,
as to whether I will get the appointment
as Assistant Matron this fall, which I
applied for? If I cannot have an
appointment, I wish to visit my home
at Pine Ridge and then return and go
out under the "Carlisle Outing System," until
I can get something better, but my
waiting for an appointment puts me in
a state of uncertainty as to what to do.

With Great Respect,

Lizzie M. Hill

Mr. Dertch
