Ella Rikert,

Hospital Cook.

Desires transfer as Asst.

Matron or Cook to some Western  
School.

1st Endorsement.

Respectfully forwarded.  
I approve of the within ap-  
plication for transfer, but can-  
net heartily endorse Ella Rikert  
for transfer as Asst. Matron.  
She has an infirmity of temper  
which breaks out occasionally  
and would unfit her for dealing  
with the supervision of children.  
In the position she now occupies  
of cook, she does very well,  
and is quite an excellent and  
faithful cook. The disease  
from which she is suffering  
is one peculiar to her sex, and  
has not interfered with her use-  
fulness here. As the Doctor  
thinks she might improve in a  
different climate, I hope her  
application for transfer to such  
climate may be gratified.

To the Honorable

The Commissioner of Indian Affairs,  
Washington, D. C.

Dear Sir:-

I desire to be transferred to Rose Bud Agency Boarding School as assist. matron in the place now occupied by Arnette Suison whom I understand intends to resign this spring. Perhaps she has not yet notified you of her intentions but I want to make sure of securing the place and so write early.

In case I can not be appointed there I should still like to be transferred and am willing to go into any of the following states, South Dakota, North Dakota, Wyoming, Colorado, Minn. Nebraska, Wisconsin or Kansas.

Department of the Interior,  
INDIAN SCHOOL SERVICE,

OFFICE OF SUPERINTENDENT,

Carlisle, Pa.

March 12, 189.

I have been here seven years  
and a half; five years as a  
student and two and a half years  
as Hospital Cook.

I have a disease of many years  
which though does not unfit  
me for work, the doctor thinks  
will improve if I can have other  
duty and a different climate.

Respectfully  
Ella Peckert.
