Major R. N. Pratt,

Carlisle, Pa.

My dear Major:-

I have just learned that the long expected order has been issued, removing agency clerks from the classified list. so I write to ask, if you would, while at the Institute at Los Angeles, be so kind as to bear in mind that I am available and mention my name if anyone should make inquiry for a clerk.

I hope to see you in Seattle, and wish you an enjoyable trip.

Very truly,

Edwin L. Chalcraft
