The enclosed is a letter received from Maj. Pratt. The boys

transferred to Carlisle last spring were not at our request and  
 some of them were very bad, and I have no doubt the Maj. has had  
 some trouble with them. I have written Maj. Pratt that these four  
 boys we have asked to be transferred are not bad boys & but are  
 encouraged to disobedience by being told they cannot be punished in  
 any way, and we thought it better for the boys to be where no one  
 is permitted to interfere with school discipline. We await your  
 reply.

Yours Respectfully.
