Dear Major:

In connection with George Warren at White Earth last week he informed me that he had made application to the Indian Bureau for position as disciplinarian at the White Earth School, & that his application had been filed & would be considered. I have the pleasure to report that George's conduct has been excellent in the past two years, that he has been a very good student & during his absence during this last summer & during his earnings with a view of learning a farm of his own. If you could endorse his application I know it would greatly aid him & be appreciated.

Yours truly
E. N. Frank
