Department of the Interior,

INDIAN SCHOOL SERVICE,

OFFICE OF SUPERINTENDENT.

Carlisle, Pa. Oct. 24, 1899.

To the Honorable,

The Commissioner of Indian Affairs,

Washington, D.C.

Sir:--

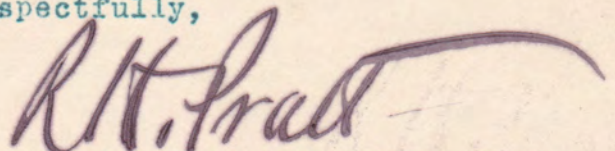

Siceni Nori, from Laguna, New Mexico, graduated from this School in '94 and returned home. He came back at his own cost and went to live with a farmer near Trenton, New Jersey, who had become his friend under our outing system.

Siceni has recently taken a thorough course in the Business College, Trenton, New Jersey. He would now like to get into the Indian Service as a clerk or bookkeeper.

His good character, ambitions, and helping himself so entirely, added to his qualities as a clerk (see letter enclosed) warrant me in giving him a good recommendation.

If he can be favored, I would suggest that at first he receive a moderate salary, say \$480 to \$540, with a view to increase on demonstration of usefulness.

Very respectfully,

Major 10th Cavalry, Supt.

Dictated.

Dear Sir; Having satisfactorily passed the final examination of graduation from the Stewarts Business College, I beg leave to ask whether there still remains anything to be done before I make application for the Indian Service as a clerk or bookkeeper.

I am still going to school and working at anything that I can do in my spare moments.

I am very desirous to enter the Indian Service. Hoping for a favorable reply, I am,

Yours truly,
Sicuni Nori.
