Department of the Interior,

INDIAN SCHOOL SERVICE,

OFFICE OF SUPERINTENDENT,

Carlisle, Pa., Nov. 7, 1899.

To the Honorable,

The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

In extending the electric light system into all the rooms of the new additions to the school building, and in making other needed repairs to the lights at various places on the school grounds, an expense of \$171.50 has been incurred as per bill of The Carlisle Gas & Water Co., attached hereto. This is the company with whom we have a contract for furnishing the electric light current. There is no other party in Carlisle in this line of business.

The material furnished for this work is charged at cost price. I respectfully request authority to pay this bill.

Very respectfully,

Major 10th Cav'y., Supt.

W.B.B.
