Hon. W. A. Jones,
Comm. of Indian Affairs,
Washington, D. C.

My dear Mr. Jones :-

I enclose two letters which contain statements of fact you should know.

I trust you have already ordered Mrs. Canfield to report here. I write today asking the increased salary. Have not yet received back the Secretary's letter about the Crowell apparatus. I hope it may come for I shall not allow the matter to rest at that. I asked Mr. Slater to let the descriptive book of the apparatus that I sent you with my first application come back with the letter,

Sincerely yours,

Dictated (P)
