SCHOOL EMPLOYEES.

Department of the Interior,

OFFICE OF INDIAN AFFAIRS.

WASHINGTON, July 12, 1897.

To Agents and Bonded Superintendents:

All appointments, transfers, removals, and promotions in the Indian School Service are made by order of the Commissioner of Indian Affairs.

Upon the within "Descriptive Statement" immediately after instructions, you will submit such changes in your school employee force for approval. Do not report changes in *Agency* positions on this blank.

Every column must be properly filled out, and you will refer to the file number and date of the office letter directing the change. In case of an emergency, you may fill a vacancy temporarily, but such temporary appointment must be immediately reported to this office with full and explicit reasons therefor.

No appointment or relief should be reported until the employee has *actually* entered on duty, or terminated service.

In the column designated "Previous residence," show the State from which the employee was originally appointed to the Indian Service, and in that of "Date of original appointment," state the time the employee first entered the Indian Service.

In the descriptive statement the SEX may be designated by the letter M for male and F for female; the RACE by W for white, N for negro, I for Indian, H for halfbreed, C for Chinese, etc.; the correct AGE is to be given when known—when it is estimated, a line should be drawn under the figures; S designates single, M married, and W widowed.

The reports of "Changes in School Employees" are not considered as a substitute for "Quarterly Reports of School Employees." The latter must be made regularly and promptly, without regard to these.

Respectfully,

W. A. JONES,

Commissioner of Indian Affairs.
