To The Honorable,

The Commissioner of Indian Affairs,

Washington, D. C.

Sir :-

I have a Remington typewriter which is broken down and is no more available for our work. I need its replacement at once. The best bargain I can make in exchange for it is for a first class Smith Premier machine, paying \$50.00 difference. The machine I have is very old and has been in use longer than any other here. Our people are beginning to like the Smith Premier better than the Remington, and the difference I have to pay is less than is required in exchanging for a new Remington. I therefore request authority to make the exchange and pay the difference as above.

Very respectfully,

Major 10th Cavalry, Supt.
