INDIAN SCHOOL SERVICE,

OFFICE OF SUPERINTENDENT,

Carlisle, Pa., Jan. 30, 1900.

To The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir :-

On my Annual Estimate for 1901 which went down a few days ago, I noted in the column for remarks against such articles as I thought should be purchased here, "Contract at Carlisle". I can purchase these articles fully as economically as they can be purchased elsewhere and it will be much more satisfactory to do that. I therefore request authority to advertise and contract for them here in the same way we did last year, and in order that the matter may come before you in a concise form, the following is a full list of the articles referred to.
