Department of the Interior,

INDIAN SCHOOL SERVICE,

OFFICE OF SUPERINTENDENT,

Carlisle, Pa.,

Feb. 20, 1900.

To The Honorable,

The Commissioner of Indian Affairs,

Washington, D. C.

Sir :-

We have just come through successfully with the quarantine of three smallpox patients. I established a pest house in the dairyman's house at the farm and isolated the three cases under the care of one of our boys, Fred Hare, who has had the disease. Fred has taken good care of the boys and under the Doctor's daily visitations has religiously preserved the quarantine. I promised to pay him for his services, and request that authority be granted me to pay him the sum of \$15.00 for such service from January 19th to February 19th inclusive.

Very respectfully,

Major 10th Cavalry, Supt.
