Department of the Interior,

INDIAN SCHOOL SERVICE,

OFFICE OF SUPERINTENDENT,

CARLISLE, PA.,

April 17, 1900.

To The Honorable,

The Commissioner of Indian Affairs,

Washington, D. C.

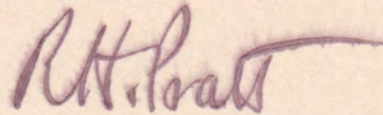

Sir :-

For several years past we have been looking for a more satisfactory system of drafting patterns, etc. in our sewing room. After examining and trying quite a good many, my sewing women all say that the system of Mrs. Annie Livingston is the best.

I respectfully request your authority to purchase 12 sets at not to exceed \$4.00 each .....\$48.00

I will add that Mrs. Livingston herself is exceptionally accomplished in the line of ladies' and children's dresses and spent about two weeks here giving our people instruction, for which she made no charge whatever. This service was of greater value to us than the cost of her systems, which are very simple and at the same time reliable and complete, and the price not excessive.

Very respectfully,

Major 10th Cavalry, Supt.
