Hon. Commissioner.

of the Ind. affairs
Washington D. C.

Dear friend.

I have received your Favorable
Letter to me. I thank you for
answer my Poor Letter. & I will
give you the names of men
that Discourage the Class. that
we want to send to Carlisle Pa.
to educate our Children. Be ready
for against the time come.
there fore I feel heart when some
one Discourage the Plan of education
its. Jack Palmer one of the judge of the
Ind. Court. & Joseph Kirk Copian

of genl. Police. these men have try
to discourage the People Even since
we be gain. to talk about it.
geting up class. the sent to Carlisle.
Pa. the have talk to the People. not
to sent there children to Carlisle. Pa.
Beeuse Govannment will not keep
there Promise to the Indians. like
the did once. When we sent the
children at Chamaw school. selam.
Oregon. govannment never sent
the children Baek to this reservation.
when the Fail there health. the says
we have to go get the dead Body with
our own expence. & also sick children.
so it will be soon away at

Carlisle Pa. & also if the children learn the Principal trades. the government will not give the indians a chance to earn the money. like the have which graduated here at our Boarding school. government never give them a chance to earn any money. here at Home. so we believe that government will never give chance to indians. any. employment.

there fore we object it to sending away any of the children of this reservation. & one sunday april. 29. 1900 I went Down to our church at Williamson River. & I told the ind. that class we got up for Carlisle Pa.

will be sent out some time this ^{coming} week.
 with the Mr. Fysh. so I came back to
 agency. & after I left at church. then
 Jas. Palmer & Joseph Kirk. counceiled
 themselves to come up to agency.
 have their children to stop from
 taking to Carlisle Pa. if the agent
 & Jesse Kirk will send their children
 without the consent of whole tribe
 of Indians of this reservation. they say.
 we will stop them from sending out.
 so the came up to agency Monday. April
 30th to see about it. as they agree at church.
 & ask some quistion to agent & super.
 of Boarding school. regard to that. class.
 & some of their ^{children} packed out on us.

that time. there men cease of
whole thing if it was for there
men we would have longer class
for Carlisle Pa.

I wish I could have better education.
so I can explain whole thing.
& I am giving there names of
there men Because I am so price to
see. that the government officers.
would want against-wishes of.
government. Whome we expect
to get in. to do all that is in his
Power. to help the education for
our own good. to Build our self up
to fitness & against the time comes.
which we expected to have soon

the are still talk about it. yet
 the ^{are} talk about - Jesse Kirk sell the
 Indian children. to government -
 just want to get to go at
 Washington D.C.

there is fast talk
 the back after. I start the
 children with Mr. Foyh.
 But. the ~~man~~ means will discourage

Rev. Jesse Kirk. Because I believe
 the education. there is only
 way we be usefull People.
 in the world.

yours Obedient servant
