Department of the Interior,  
INDIAN SCHOOL SERVICE,

Carlisle, Pa., July 5, 1900.

To The Honorable,

The Commissioner of Indian Affairs,

Washington, D . C.

Sir :-

I want to add to our curriculum next year a Domestic Science Department and for that purpose to employ as extra teacher, at \$540 Miss Harriet Eck, of Millville, Columbia Co., Pennsylvania, who has heretofore been an efficient teacher and who has spent two years in the domestic science department of Drexel Institute, Philadelphia, in order to equip herself for this special work. I asked her to come here for conference and am pleased with her attainments and qualities. She is willing to begin at \$540, expecting soon to have a salary of \$600.

I respectfully request your authority to employ her temporarily as extra teacher when she reports either in July or August, and when Mr. Dagenett's case is settled to give her the <sup>\$600</sup> salary he now has as laborer.

Very respectfully,

*R.H. Pratt*
