INDIAN SCHOOL SERVICE,

Carlisle, Pa., Sept. 11, 1900.

To The Honorable,

The Commissioner of Indian Affairs,

Washington, D. C.

Sir :-

Mr. Dennison Wheelock having resigned, I respectfully request that the position of assistant clerk at \$1000 per annum at this school be abolished.

Miss Pearl McArthur, recently music teacher at Perris, Cal., who as I am informed by the Office and by reliable employes here who have known her in the service, has an excellent record, having served as matron, is willing to come here as assistant matron if the salary is \$600, the same as she received at Perris. In abolishing the above position, I respectfully ask that the salary of assistant matron at \$520 be increased to \$600, and that Miss McArthur be appointed there-  
to.

As I am greatly in need of the services of an experienced help in the girls' department I have asked Miss McArthur to report at once, she being as I understand, in Illinois and free to do that. Her appointment, therefore, may be addressed to her here.

I further request to use a part of the money saved to the school by abolishment of the above position in the payment of a domestic science teacher at \$600 per annum. In this connection I refer you to my letter of July 5th in regard to Miss Harriet Eck, your reply
