Sir - I would suggest that you
lend your influence in securing
a position in the Service for
Minnie Ryan, 1900. Of the six returned
to this reservation during the past
year she alone has been able to hold
her own. She has seen hard times
and seemed very glad to have an
asst's position at Employ as' mess.
She filed an application for
position last February. I, this day,
enclosed the same, basing my
endorsement on her work
at the mess.

Respectfully
W.E. Meagley
Sup't.
