INDIAN SCHOOL SERVICE,

Carlisle, Pa., Nov. 2, 1900.

To The Honorable,  
The Commissioner of Indian Affairs,  
Washington, D. C.

Sir :-

Replying to your letter of the 1st inst. marked "Finance 122152. C. L.", I have to respectfully advise you that Orlando Kenworthy is a sensible, well grown young man, and on talking with him about it he says he would rather have his money here and earning something than in the government's hands not earning. I would approve of the payment being made. We exercise very great care over the money affairs of all pupils, and the lesson of making money earn money is not without material value to them. We have here something like \$12,000. on interest belonging to students.

Very respectfully,

Major 10th Cavalry, Supt.
