Indian Office -
Dear Sir: -

I am in receipt
of your inquiry in
regard to making
some photographs
at Carlisle -

I could arrange
to do the work
some time next
month but pro-
bably not until

The latter part -

My terms would
be \$300.⁰⁰ and my
travelling and living
expenses ^{at Caplice} for 25 -
or 30 pictures -

For this rate I would
make negatives satis-
factory to the persons
in charge of the
work - the negatives
to become the pro-
perty of the school
and furnish 3 sets
of prints in plati-

um. If you furnish the cards
I will also mount the sets
for exhibition -

Very respectfully

Francis B. Johnston -
