Department of the Interior,  
INDIAN SCHOOL SERVICE,

Carlisle, Pa., April 12, 1901.

To The Honorable,  
The Commissioner of Indian Affairs,  
Washington, D. C.

Sir :-

Replying to that portion of your letter of April 10th marked "M", in reference to one of our young men or young women to preside over the Indian exhibit at Buffalo, I have to respectfully advise you that I would be glad to furnish a person for this service, and can select one who will fill the bill as you explain it. I should prefer July or August, as the person sent will in all probability be a senior and ought to have the full school term here; but should the Department find it necessary to set the time at some other period, we will conform to it.

Very respectfully,

Lt. Col. 15th Cavalry, Supt.
