CARLISLE, PENNA.

April 13th, 1901.

Hon A. C. Tonner,  
Acting Commissioner Ind. Affairs.  
Washington, D. C.

Sir:--

I enclose herewith four labels as per request of your letter of the 11th inst., which I trust are satisfactory. If not, we will make it right if possible. Miss Cook gave the printer boy five cents a form for those printed while here, we making no charge for use of material. The boy did the work out of work hours. These were done by the same boy on a holiday, and Miss Burgess, Superintendent of Printing thinks he should have ten cents for each form as they are somewhat larger than the others. If forty cents is not too much to ask it would amply pay the boy for his time. If you remit to Miss Burgess, she will hand it to the boy.

Respectfully,

R. H. Pratt,  
Lt. Col., Supt.
