INDIAN SCHOOL SERVICE,

Carlisle, Pa., Aug. 6, 1901.

To The Honorable,

The Commissioner of Indian Affairs,

Washington, D. C.

Sir :-

The enclosed letter is from Marguerita Scholder, a former pupil of Carlisle, who when she left here a few months ago was not in good health, but it appears is improving. From her conduct while here I feel warranted in recommending Miss Scholder for a minor position in the Indian Service. She and Pasquala Anderson who is doing such good work at the Oraiba School, Arizona, are friends, and I think would work together well in the interests of the school there.

Very respectfully,

R H. Pratt

Dear Sir:

Pasqnala Anderson has just informed me that a vacancy exists in the school where she is employed. As I have improved sufficiently in health to work, I want to offer myself as a candidate for the position. I am especially anxious to get an appointment at this place because of the

climate being so uniform during the entire year, and I believe that with something to employ my time, together with a mild, dry climate I would soon regain my health.

Should this place be filled I would like to get a position in some school, either in Ariz. or Cal.

When leaving Carlisle I believe you offered to assist me in getting a situation, hence I write to ask.

What ever position is given me, I shall strive to discharge my duties earnestly and steadily.

The thermometer here, has

been soaring high up in the clouds for some time but for the past two days we have been able to keep the mercury within the glass.

Thanking you for your past kindness and with kind remembrances to all, I am

Your former school daughter
