Hon. W. A. Jones,
Commissioner of Indian Affairs,

My dear Mr. Commissioner:-

Dr. Brumbaugh exceeded his authority by six in sending children here and I had to write twice before I got him stopped from sending. I enclose a copy of his letter just received which shows a gratifying condition in regard to our Porto Rican attendance.

We have had a Mr. Maestro and his son here for the last three weeks, both Porto Rican teachers and Mr. Maestro for many years. His enthusiasm for Carlisle and its methods is unbounded. He has written the educational authorities in Porto Rico several letters which he has read to me, the character of which is most gratifying.

Very truly yours,

Dear Friend:-

I thank you for your letter of Aug. 5th and beg to say that I will send no more pupils without your consent. I also request you to indulge me in my trespass upon your limits and know that you will gladly forgive me for sending more boys and girls than I should have sent when you remember that this office is crowded daily with crying women begging us to send their children north to be educated. I have now positively stopped the whole procedure but trust that in the near future you can do us the great service of allowing us to send additional children to the school.

Yours respectfully,

Commissioner.
