The Commissioner of Indian Affairs,

Sir :-

Replying to office letter "Education 12232 - 1902" referring to Harry K. Cole, son of Princess Chinquilla, whose letter is enclosed, I have the honor to state that we have used every means at our command to find this boy, but without avail. The communication from the mother, which you send, states that he was last in Elmira. I will endeavor to see whether this new clue will lead to any more satisfactory information.

Very respectfully,

Acting Supt.
