Department of the Interior,
INDIAN SCHOOL SERVICE,

Carlisle, Pa., April 21, 1902.

To The Honorable,

The Commissioner of Indian Affairs,
Washington, D. C.

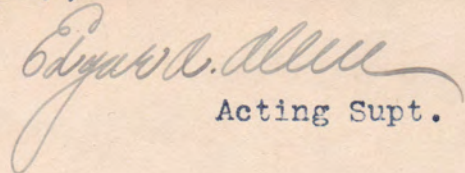

Sir :-

I have the honor to state that Mr. Elmer G. Sprow, employed temporarily as tinner at this school, renewed his application to the Civil Service Commission for examination. His papers are returned with the following remark :-

"Applications for non-educational positions not mentioned in the list below will not be accepted until examinations for such positions are announced."

As no examination has been announced I would respectfully request information as to how Mr. Sprow may obtain an examination and what method is used to obtain an eligible register. This is of particular interest to us since Carlisle is the only school that carries the position of tinner.

Very respectfully,

Acting Supt.
