Department of the Interior,  
INDIAN SCHOOL SERVICE,

Carlisle, Pa., May 23, 1902.

To The Honorable,

The Commissioner of Indian Affairs,  
Washington, D. C.

Sir :

I enclose herewith a letter from Eugene J. Warren, a graduate of this school in the class of 1901. Mr. Warren was for some time assistant disciplinarian here over the small boys. His habits and influence were exceptionally good. He would make a fair assistant or day school teacher but would do better as a disciplinarian or assistant disciplinarian, for which he would be exceptionally fitted.

Very respectfully,

Lt. Col. 15th Cavalry, Supt.

Col. R. H. Pratt.,

Dear Col. -

As you have again returned from your extended trip and as I have a little favor to ask you, I take the liberty of writing you a personal letter.

I know that you will be surprised when you hear that I have remained at home since my departure from Carlisle, but

not in accordance  
with my own inclination.  
It was a necessity and  
no time had been lost.

I am glad to say  
now however that I  
see my way clear  
to go to work.

I have decided to  
enter the service for  
a time and there  
if all goes well continue  
my schooling.

I have in an  
application for a position  
but do not feel that  
I shall receive an  
appointment without  
some recommendation, so

I respectfully ask that  
I may receive your  
recommendation,  
you know better than  
I do what I am  
capable of doing so  
use your own judgment.

I would prefer however  
the position of disciplinarian  
or teacher.

I was sorry to hear  
of your illness and

I earnestly trust that  
your health has been  
restored.

Thanking you for  
the new catalogue just  
received. I am yours

Respectfully,  
Eugene J. Warren
