INDIAN SCHOOL SERVICE,

Carlisle, Pa., July 5, 1902.

To The Honorable,

The Commissioner of Indian Affairs,

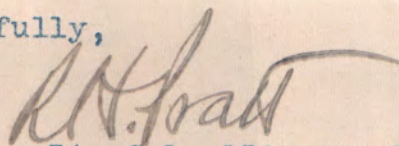

Washington, D. C.

Sir :

I forward herewith application of Julia Elmore Dineen, asking for an appointment as Assistant Seamstress or Dining-room Matron in the Indian service.

Julia was a pupil of this school from August, 1894 to March, 1896 when she graduated. She is half Indian. Her conduct while here was exemplary and I believe she would make a serviceable employe in either capacity she asks, but think she would do better in the latter as she had more training and practice in that department here. Her father arranged a marriage for her soon after she returned home with an old man from whom she has had to separate. For your better information I enclose her personal letter to me. Her little boy is about five years old.

Very respectfully,

Lt. Col. 15th Cavalry, Supt.

Dear Friend

I am in need of your kind help which I know you will not refuse to give. Enclosed you will find a letter from me to the Indian Department. please read it and also write whatever is needfull to secure me a situation either in California or further East. I have myself and a little boy to support. I can secure all the work I can do around here but the very highest wages which I receive is not enough to support two.

Will you assist me in procuring a situation I know your word goes a great way at Washington and I do not wonder for you are the Truest Friend

The Indians ever had. and I say
with all my soul. God Bless you -
I must also not forget to thank you
for the Book which you sent. I regret
to say my father lost it on the train
in coming from Copley to Redding. But
I thank you just the same for the kindly
remembrance.

I will not address the envelope for I
hardly know how. I have been out of
touch with civilization for so long. so I
will ask you to do me the great kindness
of directing and forwarding it to Washington.

Respectfully Yours.
