Hon. W. A. Jones,
Commissioner of Indian Affairs,

Dear Sir :

I find in the "Indian Leader" of Oct. 3rd, printed at Haskell, the names of Chauncey Archiquette, graduate of Carlisle now 26 years old, Robert Depoe, graduate of Carlisle, now 26 years old, William Baine, an expelled student of Carlisle, now 27 years old, Louis Trombla, an expelled student of Carlisle, now 26 years old, and Thaddeus Redwater, an expelled student of Carlisle, also 26, all mentioned as being either in the normal or commercial departments of that school or connected with its football team. I sent you last week copy of the previous week's issue in which Rienzi Moore, also a graduate of Carlisle is spoken of as entering the commercial department; and it is within my knowledge that other of our students and graduates are there.

Yours truly,

R. H. Pratt
