Sir

I wish to know if I can get your permission to have two Boys enrolled as pupils at Carlisle Indian Industrial School at Carlisle Pa.

I am a citizen of the Cherokee Nation by adoption, being Delaware by blood and the two boys mentioned are sons of mine, aged 10 & 12 years, and I greatly desire to educate them and fit them for citizenship that they may be able to meet their fellow men on terms of equality.

Kindly let me hear from you.

Very Respectfully

Dear Sir :

We are not authorized to receive at Carlisle children from any of the Five Civilized Tribes. They do receive them at other schools. If you wish to send any pupils here I suggest that you write to the Honorable Commissioner of Indian Affairs at Washington, asking if he would permit them to be enrolled here.

Sincerely yours,
