OFFICE OF SUPERINTENDENT,

To The Honorable,

The Commissioner of Indian Affairs,

Washington, D. C.

Sir :

D. L. July 10/1903 #8700.

By your letter of July 14th, 1903, marked "Finance 41305, Authority 82457"; I am authorized to expend during the fiscal year the sum of \$400 in paying the board of students undergoing special treatment in the hospitals of Philadelphia. I have to respectfully advise you that in all cases where students have the money I require them to pay these expenses themselves. In cases where they do not have the money and it becomes necessary to make use of this authority I also need authority to cover their transportation to and from the city, sometimes with an escort.

I therefore respectfully request that that authority be modified and I be authorized to pay transportation to and from the city and where necessary to pay the expenses of an escort. This is not intended to increase the amount, which is probably twice as much as I shall need to the end of the year.

Very respectfully,

Col. & Supt.
