Carlisle, Penn. Apr. 11, 1904.

Honorable Commissioner of Indian Affairs,
Washington, D. C.

On account of the very low salary that I am receiving here, I feel obliged to ask to be transferred to some school where I can command a larger salary.

I accepted the position of assistant seamstress at \$800. per year because I wished to have some practice in this school and I am sure that it will be a great benefit to me when I go to a smaller school.

I like it here very much and have no other reason for asking to be transferred, except that the salary is much too small to justify me in remaining here very long.

I prefer the position of seamstress and in my own state (Wisconsin) if possible.

Please give this your kind consideration and greatly oblige.

Very Respectfully, Etta White.
