OFFICE OF SUPERINTENDENT,

*Carlisle, Pa., May 20, 1904.*....., 190.....

To the Honorable,  
The Commissioner of Indian Affairs,  
Washington, D. C .

Sir :

I enclose you a letter from Miss Grace A. Warren, a graduate of this school in the class of 1902, in which she desires to be continued in the position as a day school teacher, in which she is now temporarily employed.

I can say for Miss Warren that throughout her whole career at Carlisle of six years she was a model pupil and a leader in all the best things in the school. Her character and qualities entitle her to the most consideration.

Very respectfully ,

Col. & Supt.

Dear Col.:-

Although I have  
never written to you  
since leaving Carlisle  
I have very often  
thought of you and  
through Carlisle's weekly  
letter. The Redman and  
Helper have kept.

~~in~~ close touch with the school where I spent so many pleasant years.

Since leaving school I have been at home with my mother. I had hoped after leaving Carlisle to attend school again but was disappointed. My bounden duty seemed to be at home with my mother who is alone & now quite old.

I am now filling temporarily the day school teachers position. I find that the studies are such that I can teach & that it is a very desirable position as I can work & at the same time be

near my mother. I should  
like very much to have it  
permanently. I therefore  
ask you if you will  
kindly use your influence  
through the Com. of Indian  
Affairs to have me appointed  
regular teacher.

Thanking you in advance.

I remain  
your truly,

Grace A. Warren
