OFFICE OF SUPERINTENDENT,

Carlisle, Pa., July 25, 1904⁹⁰

To The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir :

I have always understood that my Agency Property Papers should be mailed by the twentieth day succeeding the close of the quarter for which the return is made, and so instructed my successor, Captain Hall, and in order to have the papers at Carlisle so that I could mail them by the 20th instant, he was obliged to mail them to me on the 14th. This gave him only thirteen days to take inventory, and as the bulk of the property is located at four different points - the Agency, the Sub-agency, and the two schools, - and some of it scattered over the reservation, he did not have time to verify or find all the property for which I am accountable. He therefore signed for only that which he could find or verify, as explained in his letter, copy of which I enclose herewith. I will make a supplemental return and complete the transfer while at the Agency, to which place I return in a few days, pursuant to instructions from your Office.

Very respectfully,

Captain 7th Cavalry, Supt.
