Sir :

Replying to Office letter "Education - 44640", I have the honor to state that Charles King was enrolled at this school Sept. 13, 1901 for a term of five years. No special reason exists for releasing him from the school until the end of his term, and I therefore respectfully recommend that his term at Carlisle be completed before he is discharged.

To the Commissioner of Indian
Affairs. Washington D. C.

Sir. I would like to be free
from the Carlisle Indian School.

This is my second term at
Carlisle I would rather

be a Citizen of the U. S.

than to return to my reserva-
tion. As Gen. Pratt words are

To civilize the Indian get him
into civilization to keep him
civilized let him stay.

And I for one would.

like to stay civilized. I know
that there are great many
more boys and girls would like
to stay civilized if allowed.

And I myself would like to
stay among the white people
and fight my way through
the world same as my white
brothers do. I am going on my
twenty first year just old enough
to start through the world
for my self. I will now close
hoping that you will see to
it I am Sincerely yours.

Mr. Charles King.
