Hon. W. A. Jones,
Commissioner of Indian Affairs,

My Dear Mr. Jones:

I am just in receipt of your favor of the 20th instant advising me of a communication of the acting superintendent of the Carlisle school to the effect that a ticket had been sent Miss Maggie Venne preparatory to her coming home.

Please accept my thanks for your consideration of this matter and for your courtesy in informing me what was being done. I am certain that the decision arrived at is for the best interests not only of the girl but also of the school as well.

Very sincerely yours,

P. J. McCumber
