DEPARTMENT OF THE INTERIOR,
UNITED STATES INDIAN SERVICE,

Carlisle, Pa., Sept. 2, 1904.

To The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir :

I have the honor to transmit herewith application for transfer signed by Mr. and Mrs. E. M. Sherry, teachers at this school.

Mr. Sherry has been employed here for two years and has many points of excellence, being a well educated man and a fine speaker. He has the ability to teach, but at Carlisle has had some difficulty in discipline, so much in fact, that it seems best that he try another field of labor. It might be that the work of an industrial teacher would be more congenial to him and would better suit his abilities. His training, I understand, has been as teacher and is good. The trouble has been with his temperament, and under changed circumstances he would probably be able to adapt himself to his work.

Mrs. Sherry, I am glad to be able to recommend as an excellent teacher, and I trust that in arranging for work for them elsewhere she will again be located in the school-room, as her work here was very successful, and I believe it will be equally successful in a new field.

Very respectfully,

Captain 7th Cavalry, Supt.

E.A.A.(P)
